The Children's Courtyard Hosts Car Seat Safety Check Event

Certified technicians onsite to ensure your child is safe

AUSTIN, February 18, 2009 – The Children's Courtyard – located at 11718 Metric Blvd. – is pleased to host a car seat safety event for local families on Tuesday, March 3rd from 3:00 p.m. until 6:00 p.m. The event is free to local families and sponsored by Safe Riders Traffic Safety Program.

Certified technicians will be onsite to educate parents on the correct usage of their child's safety seat. Each seat will be checked for safety and recalls, and parents will also learn how to properly install the seat in their vehicle. Each seat inspection will take approximately 30 minutes.

"The Children's Courtyard is committed to the safety and well-being of children ... even when they aren't in our care," said Elizabeth Bello, campus director. "So we are honored to host an event as important as car seat safety at our school."
